THE STATE COMMISSION ON CRIMINAL SENTENCING POLICY

Establishment and Charge of the State Commission

The Maryland General Assembly created the Maryland State Commission on Criminal Sentencing Policy (MSCCSP) in May 1999, under Chapter 648 of the Laws of Maryland. In July 1999, the MSCCSP formally replaced its predecessor advisory commission, the Maryland Commission on Criminal Sentencing Policy. The enabling legislation for the MSCCSP set out six legislative goals for sentencing in Maryland, stating that:

1. Sentencing should be fair and proportional and that sentencing policies should reduce unwarranted disparity, including any racial disparity, in sentences for offenders who have committed similar offenses and have similar criminal histories;
2. Sentencing policies should aid citizen understanding of the time that an offender will actually be incarcerated, if any;
3. Sentencing guidelines are voluntary and that it is voluntary for the courts to sentence within the guidelines;
4. Prison capacity and prison usage should give priority to the incarceration of violent and career offenders;
5. Sentencing policies should preserve meaningful judicial discretion in the imposition of sentences and sufficient flexibility to permit individualized sentences; and
6. Sentencing judges in every jurisdiction in the State should be able to impose the most appropriate criminal penalties, including corrections options programs for appropriate offenders.

The MSCCSP was designed and authorized with the purpose of fulfilling those legislative intentions.

MSCCSP Composition

The MSCCSP is composed of the 19 voting and 3 ex-officio members listed on the next page. The Chair, the Honorable Diane O. Leasure, was appointed by the Governor in August 2011 to lead the MSCCSP.
